

Write your diamonte on the poem form below.

The form is a large diamond shape with a thick black border. At the top center, the word "Recycle!" is written in a stylized, dotted font. Below the word is a large diamond-shaped area with horizontal lines for writing. The diamond is divided into two triangles by a horizontal line. The top triangle has three lines, and the bottom triangle has three lines. In the four corners of the diamond, there are recycling symbols (three arrows forming a triangle) with various items inside: top-left shows a glass bottle and a can; top-right shows a plastic bottle; bottom-left shows a can and a glass; bottom-right shows a newspaper and a cardboard box. At the bottom center of the diamond, there are two more recycling symbols, one with a can and one with a glass.
